

Arezzo S. Donato Hospital

December 6-7th, 2013

Robotic Surgery in Urology: Seniors vs Juniors.

Second da Vinci Junior Users Meeting.

Chairmen of scientific committee:

Michele De Angelis, Giorgio Guazzoni

Chairmen:

Filippo Annino
Nicola Maria Buffi

With the Endorsment of

Provider n° 156

Friday December 6th.

Morning Session

08.00-08.30 **Welcome**

08.30-09.30 **Face to face. Robotic Surgery is a young surgery or a surgery for young. Juniors vs Seniors points of view.**

Moderator: G. Guazzoni

Pannel: M. Carini, A. Celia, T. Piechaud, B. Rocco

- 5 minutes pro Seniors: *T. Piechaud*

- 5 minutes pro Juniors: *A. Celia*

08.45 - **Review of current literature on da Vinci Prostatectomy Seniors Results.**

V. Ficarra

09.00 - **An European study, Junior Surgeons Results on da Vinci Prostatectomy.**

F. Curto

09.15 - **Discussion**

09.30-11.30 **Live Surgery**

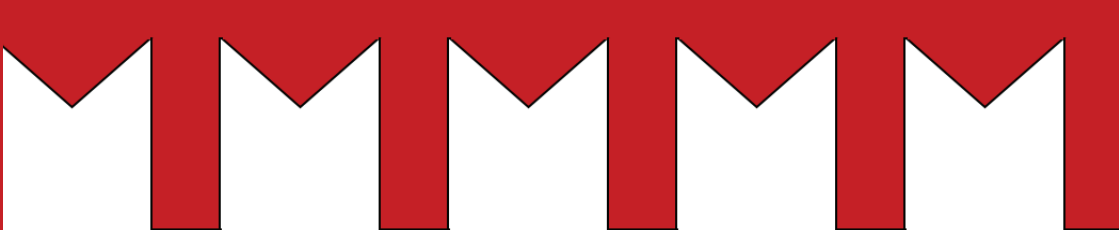

Provoker: S. Crivellaro

Pannel: A. M. Bocciardi, C. De Carne, F. Gallo, S. Serni

- **Radical Prostatectomy. With Fluorescence and/or Transrectal Ultrasound.**

Senior surgeon in Double console with a Neophyte performing a Modular Training Surgery.

T. Piechaud & Saint. Augustin Fellow

- 
- 11.30-11.45 **Treated or not treated BPH and LUTS in patients undergoing radical prostatectomy.**
Is there any influence or predictive value of medical therapy on postoperative outcome of Radical Prostatectomy?
R. Autorino
- 11.45-12.00 **Modular Surgery: will it become a real training model? Why? Pro and Contra.**
N. Buffi
- 12.00-13:00 **Round table:**
Training models: what is the application in Europe for Seniors and Juniors.
Moderator : T. Piechaud
Pannel: V. Ficarra, A. Minervini, V. Pizzuti, A. Volpe

Poits of view

- Senior: *T. Piechaud*
- Junior: *A. Volpe*
- Resident: *G. Lughezzani*
- 13.00-14.00 **Lunch**

Afternoon Session

- 14.00-14.20 **Optimization of robotic activity in multidisciplinary assessment, advantage of a central coordination.**
F. Melfi
- 14.20-15.00 **Video/Poster Presentation.**

15.00-17.30 **Live Surgery - Renal Surgery**

Provoker: F. Porpiglia

Pannel: G. Barbanti, R. Felipetto, G. Muzzonigro, A. Porreca

- Junior Surgeon Performing a live case with a Senior surgeon in the second console.

N. Doumerc, T. Piechaud

17.30-17.45 **Rehabilitative or pre RALP 5phd-i treatment: prevention and management.**

N. Suardi

17.45-18.00 **Continence recovery: what is the impact on radical prostatectomy costs Analysis.**

L. Masieri

18.00-18.15 **Neoadjuvant therapy, previus prostate surgery or prostate biopsy access: how does affect robotic radical prostatectomy?**

C. De Carne

18.15-18.30 **Conclusions and Welcome ceremony.**

Saturday December 7 th.

Morning Session

08.00-08.30 **Opening.**

08.30-09.30 **Evidences in robotic surgery in urologic procedures: everything but RALP.**

Moderator: V. Ficarra

- Pyeloplasty & others recontuctive procedures. *N. Buffi*
- Partial nephrectomy. *F. Porpiglia*
- Radical cystectomy. *R. Autorino*
- Radical nephrectomy. *A. Asimakopoulos*
- Other. *A. Celia*

09.30-10.40 **Live surgery - Tricky case for expert senior surgeon. Focusing on bedside assistant role.**

Provoker: A. Galfano

Panel: P. Casale, A. Celia, G. Kyriacou, G. Lughezzani

- Cystectomy : lymphadenectomy time.
B. Rocco

10.40-11.00 **What shine & what's dusty in Medical treatment of prostate cancer.**
S. Bracarda

11.00-11.20 **Break**

11.20-13.00 Live surgery - Tricky case for expert senior surgeon.
Focusing on bedside assistant role.

Provoker: G. Bianchi

Panel: M. Cecchi, G. D'Elia, L. Masieri, R. Nucciotti

- **Robotic radical cystectomy: tips and tricks on cystoprostatectomy and nerve sparing technique.**
R. Gaston

13.00-14.00 **Lunch.**

Afternoon Session

14.00-16.00 Live surgery - Tricky case for expert senior surgeon.
Focusing on bedside assistant role.

Provoker: F. Francesca

Panel: A. Minervini, R. Autorino, C. Giberti, S. Perdonà

- **Robotic radical cystectomy: neobladder reconstruction technique.**
R. Gaston

16.00-16.20 **Kidney cancer: hot news!**
M. Sisani

14.20-16.40 **Augmented reality, fluorescence, airseal, and other innovation in robotic surgery: is there any potential advantage?**
G. D'Elia

16.40-17.00 **International training in robotic surgery: where can be trained a young urologist.**
B. Rocco

17.00-17.30 **Future perspective in Robotic evolution.**
E. Cimatti, S. Di Biasio

17.30-18.00 **Conclusions and take home message.**

Faculty

<i>Annino Filippo (Arezzo)</i>	<i>Francesca Francesco (Pisa)</i>
<i>Asimakopoulos Anastasos (Roma)</i>	<i>Galfano Antonio (Milano)</i>
<i>Autorino Riccardo (Napoli)</i>	<i>Gallo Fabrizio (Savona)</i>
